Online Aerospace Supplier Information System (OASIS)

Hello Giuseppe Leoni

INTERNATIONAL AEROSPACE QUALITY GROUP

**Welcome to International Aerospace Quality Group**

Online Aerospace Supplier Information System (OASIS). If you are working in the aerospace industry, involved in aerospace supplier selection and surveillance, this is your reliable source for aerospace supplier information and registration data.

Identified / registered under the management system bodies involved in the certification and Authorized (Certified and Authenticated Aerospace Experienced Auditors).

Personal information can be seen or modified using the menu on top.

**9100:2016 Series Aerospace Quality Management System Transition Timeline**

**Important Modifications**

A summary of the past changes and update communications to affected users are available.
