The screenshot shows the 'Organization Email Notification' configuration page. It includes search filters for 'Supplier Name' (Starts With), 'Supplier Organization', and 'Limit to Suppliers On' (with a checkbox for 'Organization Current Watch List'). There are two main sections for selecting notification types: '3. What Type(s) of OASIS Change to Certificate?' and '4. Certificate Content Changes'. The first section has checkboxes for 'New / Certified', 'Modified', 'Expired', and 'Deleted / Withdrawn / Suspended / CB Withdrawn / Cancelled'. The second section has checkboxes for 'Critical Fields', 'Scope', and 'Structure Type'. Below these are 'Search Options' for 'Sort By' (Organization Name (Ascending Order)) and 'Rows Per Page' (20). A 'Proceed to Review Criteria Results' button is at the bottom right.
