The screenshot shows the 'Org Watch List' interface in the OASIS system. The page has a dark blue header with the IAQG logo and navigation tabs: MANAGE, DATA SEARCH, REPORTS, and MYOASIS. The user is logged in as 'Hi, Giuseppe' and is identified as a 'Demonstration IAQG Member'. The main content area is titled 'Org Watch List' and includes buttons for 'Current Watch List', 'Add', 'Upload', and 'Download'. A text block explains that users can upload a list of Supplier OINs to populate their Watch List, with a link to a sample file. Below this, there are radio buttons for 'Action for Uploaded File': 'Overwrite Watch List' and 'Append to Watch List' (which is selected). A file selection field shows 'Scegli file' and 'Nessun file selezionato'. A note states 'Duplicates will be disregarded.' and a button labeled 'Upload File to Manage Watch List' is visible.
